SPONSORSHIP OPPORTUNITIES

Help us help kids

For more than 125 years, Children's Wisconsin has provided exceptional pediatric care and services to kids and families. Our vision is for Wisconsin's kids to be the healthiest in the nation, but we cannot achieve this vision alone. It is the generosity of our community and corporate partners that allows us to provide the very best physical, social and mental health care to those we serve. We hope you will consider making an investment.

WFCFA All-Star Charity Football Games

High school football players from across the state are nominated by their coaches to play in the prestigious annual North vs. South All-Star Charity Football Games. Each year, more than 400 players are nominated and 220 are chosen to take part. In return for the honor of participating, each player raises at least \$750 in funds for Children's Wisconsin, the game's beneficiary. The WFCFA All-Star Charity Football Games has raised more than \$5.3 million since its inception.

Kids deserve the best.
